EDUCATION

EdYoda Digital University, India
6-Month Certification | Data Scientist

April 2022 – Present

- Python
- MySQL
- Data Analysis

ADCET, Ashta, Shivaji University, Kolhapur
Mechanical and Automation Engineering Name

April 2015 – April 2019

- Percentage: 66.97 %
- 2nd in University

WORK/ INTERNSHIP EXPERIENCE

Prestans Pvt Ltd, Pune
Design Engineer

June 2021 – March 2022

- Project managing and Execution

PROJECTS

Automatic Glass Cleaning Robot for High Story glass Buildings

2019

- Final Year College Project
- We have Design and Developed the robotic system for cleaning of the High Story Building
- With Autonomous features.

Pick and Place System for Assembly Line

Aug 2021 – Dec 2021

- Industrial Level Project
- Designed system for feeding parts in assembly line machine
- Used PLC and SCADA systems for fully automated operation

SKILLS & CERTIFICATIONS

- **Programming Languages – C , Embedded C, Python**
- **Tools - SQL**
- **Certifications – Data Scientist Program, EdYoda University**

LEADERSHIP EXPERIENCE

ADCET Go-Kart Team , Shivaji University, Kolhapur
Position – Team Caption and Design Engineer

Jan 2018 – May 2018

- Design and Developed the Racing Car for race in Bhopal.
- Successfully Completed the Race and won the Second Position
- Lead the 12 members team

Prestans Pvt Ltd, Pune
Position – Project Manager

Dec 2021 – Mar 2022

- Worked on 3 Projects Simultaneously and Completed with Effectiveness.

AWARDS & ACHIEVEMENTS

Achievement 1

2016

Presented a Paper in International Conference on Modern Era Research in Mechanical Engineering.(MERME-16) held at Rajarambapu Institute of Technology, Rajaramnagar. Titled 'Solar Powered Android Controlled Inspection Car by Using IP Camera
